WORKSHOP

AIAG APQP 3rd edition Control plan 1st edition

OBJECTIVE:

To understand the significant changes in the recently issued AIAG APQP 3rd edition and Control plan 1st edition manuals.

AGENDA

- What is the applicability of the manuals.
- How do the changes link to the IATF 16949: 2016 requirements.
- The changes to APQP
- The changes to control plan
- What auditors should look for

Certificates for attendance will be issued after the workshop, counting towards 4 hours structured CPD.
